

## Energy Savings Free Seminar

### Solar Electric and LED Lighting Financing & Technology Options

IEC Chesapeake, in collaboration with RER Energy Group and O.T. Hall, is pleased to offer a seminar on solar electric systems and LED lighting for commercial, industrial and municipal enterprises. Recently passed legislation in Maryland provides additional financial incentives for solar electric systems and current utility incentives makes LED lighting systems particularly attractive with recent cost decreases.

**Who Should Attend:** This seminar will benefit business owners, electrical contractors and all personnel who are responsible for managing electrical energy systems and associated costs. Members of our staffs will present recent developments and answer questions about solar photovoltaic and LED Lighting technology and available incentives. RER is a leader in the solar industry with over 6 megawatts developed to date and offers free grant writing services, helping clients obtain over \$12 million in grant awards. O.T. Hall & Son, founded in 1920, represent Electrical and Datacomm manufacturers in the MD, DC, VA, DE markets.

The **Solar Segment** will focus on available incentives & financing options:

- 1) Federal & State Grants and Incentives
- 2) Solar Renewable Energy Credits (SRECs)
- 3) No Money Upfront Financing Options

The **LED Lighting Segment** will focus on:

- 1) How LED Lighting Works
- 2) Utility Rebates
- 3) Energy Savings Estimates
